

A romantic scene featuring a man and a woman in a close embrace, about to kiss. The man is wearing a dark blue jacket and the woman is wearing a light-colored jacket. They are standing in front of a dark background with a large, bright, starburst light effect behind them. The text "We wish you - Happy Holidays" is overlaid in the center.

RÉSUMÉ

Sora

アサノ
TOW

When the rain is gone,

Memory of
dear sky.

Shiro (25)

Blood type B 175cm Smoker
Moody and aloof.

He lived in an apartment building (furniture included), but he basically has 0 living abilities. He'd smoke in the bed and run the sheets every time, and he's very picky about food. He's *honeycombed* at home.

Q: Who do you hate? A: Haru.

Noboru Nobuzumi (23)

Blood type O 165cm Smoker
Shiro's *mentor*. Simple.

His family is his mother and sister. He's an older brother good at all the housework in general. His specialty is cooking and he can quickly make safe dishes while drinking. He's an older who gained discipline and physical strength by holding down multiple part-time jobs. He likes motorcycles.

Haru (32)

Blood type B 170cm Former smoker
Former yakuza, now a brothel manager.
An owner with subtle judgment.

He has tattoos. After leaving (the yakuza), he tattooed a cross on his nape. He became unable to smoke.

Q: Who do you hate? A: Shiro.

Shigure (30/33)

Blood type AB 160cm Smoker

Former yakuza, mahjong parlor owner, missing his right pearly. But even Shiro can beat him when it comes to being moody. He's prone to an undisciplined life, so Haru gets mad at him. He has the habit of wearing colored lenses that don't suit him.

(That's all you need to know about him.)
Chain smoker.
